

We are very proud of Lulu Tshoba in Grade 7N

We want to help her reach her goal of competing in the World Para-Surfing Championships (in California, USA) in December 2021

Every Friday, there will be something special for sale.

On Friday 22 October you can get popcorn and a fruit ice-lolly for R10
(further donations are also most welcome.)

All learners from Grade R, Foundation, Intermediate, Special and Autistic Phases are invited to the sale.

Class teachers will take orders and collect money.
(Pronutro bars at R5 each will be sold all week at break.)

Let's get Lulu to America!
